Understanding Item Results

This report displays the itemized frequency and mean results for the Spring 2017 CCSSE survey (N=803). Each item offers comparisons between Scottsdale Community College (SCC), Maricopa County Community College District (MCCCD), and the National Sample. An asterisk (*) denotes a significant difference between the mean for SCC and the mean of either MCCCD or the National Sample. Areas shaded in green are those in which SCC is above the MCCCD and National averages; areas in pink are below these averages.
