

Scottsdale Community College
Faculty Course Evaluation - In-Person/Hybrid Courses

Fall 2019

- 1 The assignments contribute to my understanding of the subject.
- 2 Course material is presented in a well-organized manner.
- 3 Instructor is well-prepared for each class.
- 4 Instructor demonstrates enthusiasm for the course.
- 5 Instructor encourages questions and other class participation.
- 6 Instructor is receptive to opinions other than his/her own.
- 7 Graded assignments and/or exams relate to the material covered in the course.
- 8 Assignments and examinations are graded and returned promptly.
- 9 Instructor provides useful feedback on student progress (identifying strengths and weaknesses).
- 10 Instructor is willing to provide personal help students outside of class, if student seeks it.
- 11 Instructor communicates the subject matter effectively.
- 12 Instructor knows when the class is having difficulty understanding the material.
- 13 Instructor clearly described the course objectives at the beginning of the semester.
- 14 Instructor covers the course content as presented on the syllabus.
- 15 Instructor encourages critical thinking and analysis.
- 16 Instructor is knowledgeable about subject area.
- 17 Instructor allows students an adequate opportunity to ask questions.
- 18 Directions for assignments are clear and specific.
- 19 Instructor is fair in testing and in grading.
- 20 Instructor seems to enjoy teaching the class.
- 21 I enjoy being a member of this class.
- 22 I would recommend this course, as taught by this instructor, to other students.
